Mobility Duration: 5 months

Mobility Period:

Spring Semester of the 2026-2027 academic year (from February 2027) or
Autumn Semester of the 2027-2028 academic year (from September 2027)

Language Requirement: English B2 or Portuguese B2

Study Field at Host University: All subject areas listed in course catalogues

Course Catalogues:

- [University of Minho](#)
- [University of Aveiro](#)
- [University of Évora](#)

Minimum ECTS: 30 ECTS with mandatory recognition within the home study program

Scholarship:

- Monthly scholarship - 850 EUR
- Travel allowance - 1188 EUR

Application platform: <https://uminho.moveonfr.com/form/67d170d4f484e754ea054497/eng>

Application Deadline: 10 April, 2026

Each candidate must submit only one (1) application online, indicating a maximum of three (3) options. Once the application has been submitted, no modifications will be possible. Please ensure that all information is correct before submitting the application.

Eligibility Criteria:

- The student must be enrolled in Ilia State University at a relevant study level and have an active student status both during the call for applications and mobility period;
- Bachelor students must have successfully completed at least their first year of studies (min. 60 ECTS credits);
- Master students cannot implement the mobility in their last term;
- The area of studies chosen by the candidate for their mobility must be relevant to their studies at their home institution;
- The students must not have previously received an Erasmus Mundus or Erasmus+ exchange grant at the same study level;
- For PhD students, the total duration of Erasmus+ mobility (completed and planned) must not exceed 12 months.
- PhD students must not have completed and submitted their dissertation at the time of application or mobility.
- PhD students must have already defended prospectus. An exemption will be granted to doctoral students who, during the call for applications, provide written consent from the dean of the relevant faculty enabling mobility before the prospectus defense.
- PhD students can not undertake mobility if they have already completed and submitted their dissertation.
- The students should prepare a Learning Agreement indicating a minimum of 30 ECTS. All credits should be recognized at Ilia State University;
- Participants with fewer opportunities will have priority in the selection procedure
- Additionally, please check and follow other eligibility criteria of Ilia State University and PEERS consortium.

The application will only be considered complete if all mandatory documents are uploaded; All documents should be presented in English. Documents issued in Georgian should be translated into English and certified by a notary.
